Overall purpose of the role

The role of a DMUsport Activator- Roller Skating is to support the delivery and coordination of the Roller Skating sessions that are delivered as part of the university's DMUactive programme by facilitating the weekly free return up sessions, welcoming students when they arrive, assisting with the facilitation of one-off participation events and most importantly getting everyone involved.

Main duties and responsibilities

- f* To assist with the facilitation and coordination of recreational sporting opportunities for DMU students, specifically in relation to Roller Skating and the DMUactive programme.
- f* To provide a positive experience for participants, ensuring everyone is involved and feels welcome at the sessions you deliver and answering any queries from students about the sessions or DMUsport programmes.
- f* To support with organisation, co-ordination and delivery of one-off participation events for students and/or staff members, with the main focus on getting inactive people at the university active.
- f* Where necessary to complete registers for sessions and events.
- f* To assist in marketing and promotion of the roller skating section of the DMUactive programme to both student and staff members of the university. This may be carried out via social media and through attending a variety of university events e.g., Activities Fair, International Taster Sessions, This Girl Can Campaign. This is by no means an exhaustive list and any new ideas on how to promote the programme are welcomed.
- f* To support DMUsport to collect feedback and suggestions from students who participate in the DMUactive programme and to ensure that the department deliver for the purpose of service improvement.

f To

You will need to be available to attend the DMU Sport Activator Training Day which will take place on Monday 23rd of September 2024, location to be confirmed but it will be campus based.
