Detailed information about academic assessment and progress for undergraduate and postgraduate students, is set out in the appropriate '<u>Handbook and Regulations'</u>. These regulations are standard across all students whether funded via Financial Aid or not.

Where a student disagrees with an academic outcome they are entitled to appeal, via the <u>University's Appeal Process</u>. Please note this is a separate process to appealing the loss of Financial Aid eligibility (please see below).

b) Postgraduate Research Students

Students are required to submit monthly reports and achieve the appropriate milestones as laid out by the Doctoral College.
